FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.1 provides for fair and reasonable reimbursement of health care in the absence of an applicable fee guideline.

3. Texas Labor Code §413.011 sets forth provisions regarding reimbursement policies and guidelines.
4. This request for medical fee dispute resolution was received by the Division on April 2, 2004. Pursuant to 28 Texas Administrative Code §133.307(g)(3), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, the Division notified the requestor on April 6, 2004 to send additional documentation relevant to the fee dispute as set forth in the rule.
5. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - *03336 – FHN contract status indication 02 – Non-contracted provider.
 - *03544 – Use to override network rules for the entire bill.
 - *00026 – Denial after reconsideration.

Findings

1. The insurance carrier reduced or denied disputed services with reason code *03336 – “FHN contract status indication 02 – Non-contracted provider.” and *03544 – “Use to override network rules for entire bill.” On January 11, 2011, the Division requested a copy of the contract between the informal/voluntary network and Houston Community Hospital as described by Texas Labor Code §413.011(d-1)(2) and documentation to support that Houston Community Hospital was notified in accordance with 28 Texas Administrative Code §133.4. The carrier received signed this request on January 13, 2011. The carrier did not respond to the request for additional information; therefore, the above denial/reduction reason is not supported and the disputed services will be reviewed for payment in accordance with applicable Division rules and fee guidelines.
2. This dispute relates to services with reimbursement subject to the provisions of 28 Texas Administrative Code §134.1, effective May 16, 2002, 27 *Texas Register* 4047, which requires that “Reimbursement for services not identified in an established fee guideline shall be reimbursed at fair and reasonable rates as described in the Texas Workers’ Compensation Act, §413.011 until such period that specific fee guidelines are established by the commission.”
3. Texas Labor Code §413.011(d) requires that fee guidelines must be fair and reasonable and designed to ensure the quality of medical care and to achieve effective medical cost control. The guidelines may not provide for payment of a fee in excess of the fee charged for similar treatment of an injured individual of an equivalent standard of living and paid by that individual or by someone acting on that individual’s behalf. It further requires that the Division consider the increased security of payment afforded by the Act in establishing the fee guidelines.
4. 28 Texas Administrative Code §133.307(g)(3)(B), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including “a copy of any pertinent medical records.” Review of the submitted documentation finds that the requestor has not provided copies of all medical records pertinent to the services in dispute. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(B).
5. 28 Texas Administrative Code §133.307(g)(3)(C)(i), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “a description of the healthcare for which payment is in dispute.” Review of the submitted documentation finds that the requestor did not provide a description of the healthcare for which payment is in dispute. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(i).
6. 28 Texas Administrative Code §133.307(g)(3)(C)(ii), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “the requestor’s reasoning for why the disputed fees should be paid.” Review of the submitted documentation finds no documentation of the requestor’s reasoning for why the disputed fees should be paid. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(ii).
7. 28 Texas Administrative Code §133.307(g)(3)(C)(iii), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “how the Texas Labor Code and commission [now the Division] rules, and fee guidelines, impact the disputed fee issues.” Review of the submitted documentation finds that the requestor did not state how the Texas Labor Code and Division rules impact the disputed fee issues. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(iii).
8. 28 Texas Administrative Code §133.307(g)(3)(C)(iv), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires that the request shall include a position statement of the disputed issue(s) that shall include “how the submitted documentation supports the requestor position for each disputed fee issue.” Review of the requestor’s documentation finds that the

requestor has not discussed how the submitted documentation supports the requestor position for each disputed fee issue. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(iv).

9. 28 Texas Administrative Code §133.307(g)(3)(D), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to provide “documentation that discusses, demonstrates, and justifies that the payment amount being sought is a fair and reasonable rate of reimbursement.” Review of the submitted documentation finds that:
- The requestor has not articulated a methodology under which fair and reasonable reimbursement should be calculated.
 - The requestor did not submit documentation to support that payment of the amount sought is a fair and reasonable rate of reimbursement for the services in this dispute.
 - The requestor did not submit nationally recognized published studies or documentation of values assigned for services involving similar work and resource commitments to support the requested reimbursement.
 - The requestor did not support that payment of the requested amount would satisfy the requirements of 28 Texas Administrative Code §134.1.

The request for additional reimbursement is not supported. Thorough review of the documentation submitted by the requestor finds that the requestor has not demonstrated or justified that payment of the amount sought would be a fair and reasonable rate of reimbursement for the services in dispute. Additional payment cannot be recommended.

Conclusion

The Division would like to emphasize that individual medical fee dispute outcomes rely upon the evidence presented by the requestor and respondent during dispute resolution, and the thorough review and consideration of that evidence. After thorough review and consideration of all the evidence presented by the parties to this dispute, it is determined that the submitted documentation does not support the reimbursement amount sought by the requestor. The Division concludes that this dispute was not filed in the form and manner prescribed under Division rules at 28 Texas Administrative Code §133.307. The Division further concludes that the requestor failed to support its position that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the services in dispute.
